

THE FIRST FACE-TO-FACE MEETING IN MONGOLIA ON 9 SEPTEMBER 2021

As a national coordinator of the URGENT project, I organized the face-to-face meeting at the university. This was the first face-to-face meeting since the project launched. All partners participated and Prof Bayarkhuu, KHU attended online. I explained all processes to prepare reports and they asked me many questions. Also, we created an FB chat group to easily communicate accelerate the project activity.
