

Masters and PhD Students (Topics and URGENT cross cutting themes)

P-11 Jawaharlal Nehru University, New Delhi, India

No	Student	Supervisor	Thesis topic	Program (Year)	Theme
1.	Geetanjali Pukhrambam	Prof. P K Joshi	Hydrological abundance and Eco- hydrological state of a high-altitude Ramsar wetland in Himalayan region	MSc (2020-2022) - submitted	Urban wetland
2.	Divyata Yadav	Prof. P K Joshi	Assessment of urban infrastructure revitalization in Prayagraj after Kumbh 2019	MSc (2020-2022) - submitted	Urban Infrastructure
3.	Bhawvan Yadav	Prof. P K Joshi	Heat Vulnerability Index in Indian districts	MSc (2020-2022) - submitted	Heat stress in urban areas
4.	Anees MM	Prof. P K Joshi	Characterisitng urban ecosystem in the capital cities of the Western Himalaya	PhD (2018-2022) - submitted	Urban ecosystem Green and Blue Infrastructure
5.	Sonali Sharma	Prof. P K Joshi	Identifying spatial priority areas of ecosystem services in the Western Himalayan Urban Landscapes	PhD (2019-2023)	Urban ecosystem services
5.	Manjul Panwar	Prof. P K Joshi	Impact of green spaces on the thermal environment of a megacity	PhD (2020-2024)	Green and Blue Spaces/Infrastructure
6.	Satish K Saini	Dr Deep Narayan Pandey	Farmers' Resilience for Flood Disaster Management in Border Areas of Uttar Pradesh: A Case Study of Balrampur District	PhD (2020-2024)	Flood disaster in pre- urban and rural landscapes
7.	Kundan	Prof. P K Joshi	Assessment of carbon pools and profiles of forested wetland situated in the semiarid region of India	PhD (2016-2022)	Wetland in pre-urban landscape

No	Student	Supervisor	Thesis topic	Program (Year)	Theme
8.	Akshita	Prof. P K Joshi	Gender vulnerability	PhD (2020-2024)	Not directly linked –
	Choudhary		and adaptation to		Gender vulnerability
			climate change in		
			agricultural		
			communities: A study		
			of central Himalaya		
9.	Jayshree Das	Prof. P K Joshi	Characterizing	PhD (2010-2023)	Not directly linked –
			ecological effects of		Forest fire risk
			fire on forested		analysis
			landscapes of Odisha		
10.	Ruthi	Prof. P K Joshi	Mining induced	MSc (2021-2023)	Mining in peri-urban
	Veibiakkim		environmental		landscape
			degradation in		
			northeast India		
11.	Utsav Biswas	Prof. P K Joshi	Spatio-temporal	MSc (2021-2023)	Not directly linked –
			analysis of forest fires		Forest fire risk
			in India and		analysis
			proximate derivers
